### Vision 2020

**Families and churches need help as never before!**

Family Essentials is a ministry that impacts families, couples, pastors and churches in the US and in 25 countries around the world. Family Essentials is working with the Great Commission Alliance organization as they have trained and discipled over 7,000 pastors in evangelism and discipleship in those countries and in the U.S.

Our vision for 2020/2021 is to be working with pastors and churches in 10 countries!

Our vision for 2020/2021 is to be working with pastors and churches in 10 countries. We will be training local pastors/leaders on how to teach their congregations and communities using our resources. This will mean several thousand people engaged in building strong and loving families in churches across the globe.

### Family Update

Laurie and I are living in Clermont, Florida enjoying being close to our younger grand-daughters and watching them grow up.

We are very active with Lifebridge Church in Windermere, FL. We are mentors in their Young Adult ministry; Greeters; Nursery (Laurie) and teaching Adult Seminars (Richard) and *Building A Strong and Loving Family*.

We are looking forward to where God is leading in this journey of Family Essentials.

### Making a Difference

JJ is a 16 year old female who has been cutting herself as she has been in Foster Care and away from her family. After listening to her life story, spending time encouraging her and sharing the hope and love of Jesus she has stopped cutting. In the past month JJ has returned home and has become happier and looking forward to her future.

### Travel News

Richard is traveling to Colorado to share about Family Essentials in July.

He will be in Montrose and Grand Junction where he will be sharing at Church180 and with other pastors.

Richard will be meeting with friends and former students from his youth ministry years as well.
